IPPC Phytosanitary Technical Resources Web page

International Plant
Protection Convention(IPPC)
June 2012

Background

- **STDF/PG/350 “Global Phytosanitary Manuals, Standard Operating Procedures and Training Kits”**
- **Funded by the STDF contribution of 600 000, to be implemented by the IPPC Secretariat.**
- **The aim of the project is to increase the ability of developing countries to access basic national documentary procedures for effective implementation of the IPPC and its Standards.**

Permanent call for technical resources

- The EWGCD(2011) agreed on to create an inventory of available technical resources in all languages, through a call for resources posted on the IPP directed to all IPPC contracting parties, RPPOs and relevant institutions and organizations.
- As of November 2011, nearly 300 manuals, reports, handbooks, guidelines, links, etc, have been received by the Secretariat.
