2. IPPC Implementation Section A: General Provisions

Please rate and then provide comment on your country's implementation of key responsibilities and core functions identified in the Convention.

Implementation of general provisions relating to the organizational arrangements for national plant protection.

***Has a single official national plant protection organization been established by your country?**

☐ Yes

☐ Partially

☐ No

☐ Only through IPP

Please provide further detail:

***Has your NPPO published a description of its official national plant protection organization via the IPP?**

☐ Yes

☐ No

☐ Partially

Please provide further detail:

***Has your NPPO submitted changes to its official national plant protection organization and informed the Secretariat of the IPPC - via the IPP?**

☐ Yes

☐ No

☐ Partially

Please provide further detail

***Has your NPPO provided a description of its organizational arrangements for plant protection to another contracting party, upon request?**

☐ Yes

☐ No

☐ Partially

Please provide further detail

3. IPPC Implementation - Section B: NPPO Responsibilities

Please indicate the extent to which responsibilities of your NPPO are being implemented. (in reference to activities undertaken under the authority of the NPPO)

* Issuance of phytosanitary certificates (Art. IV, 2a)

Full Implementation	Moderate	Weak	None
