IPPC Standard Setting Procedure an overview

Call for Topics as a gateway to new proposals for ISPMs

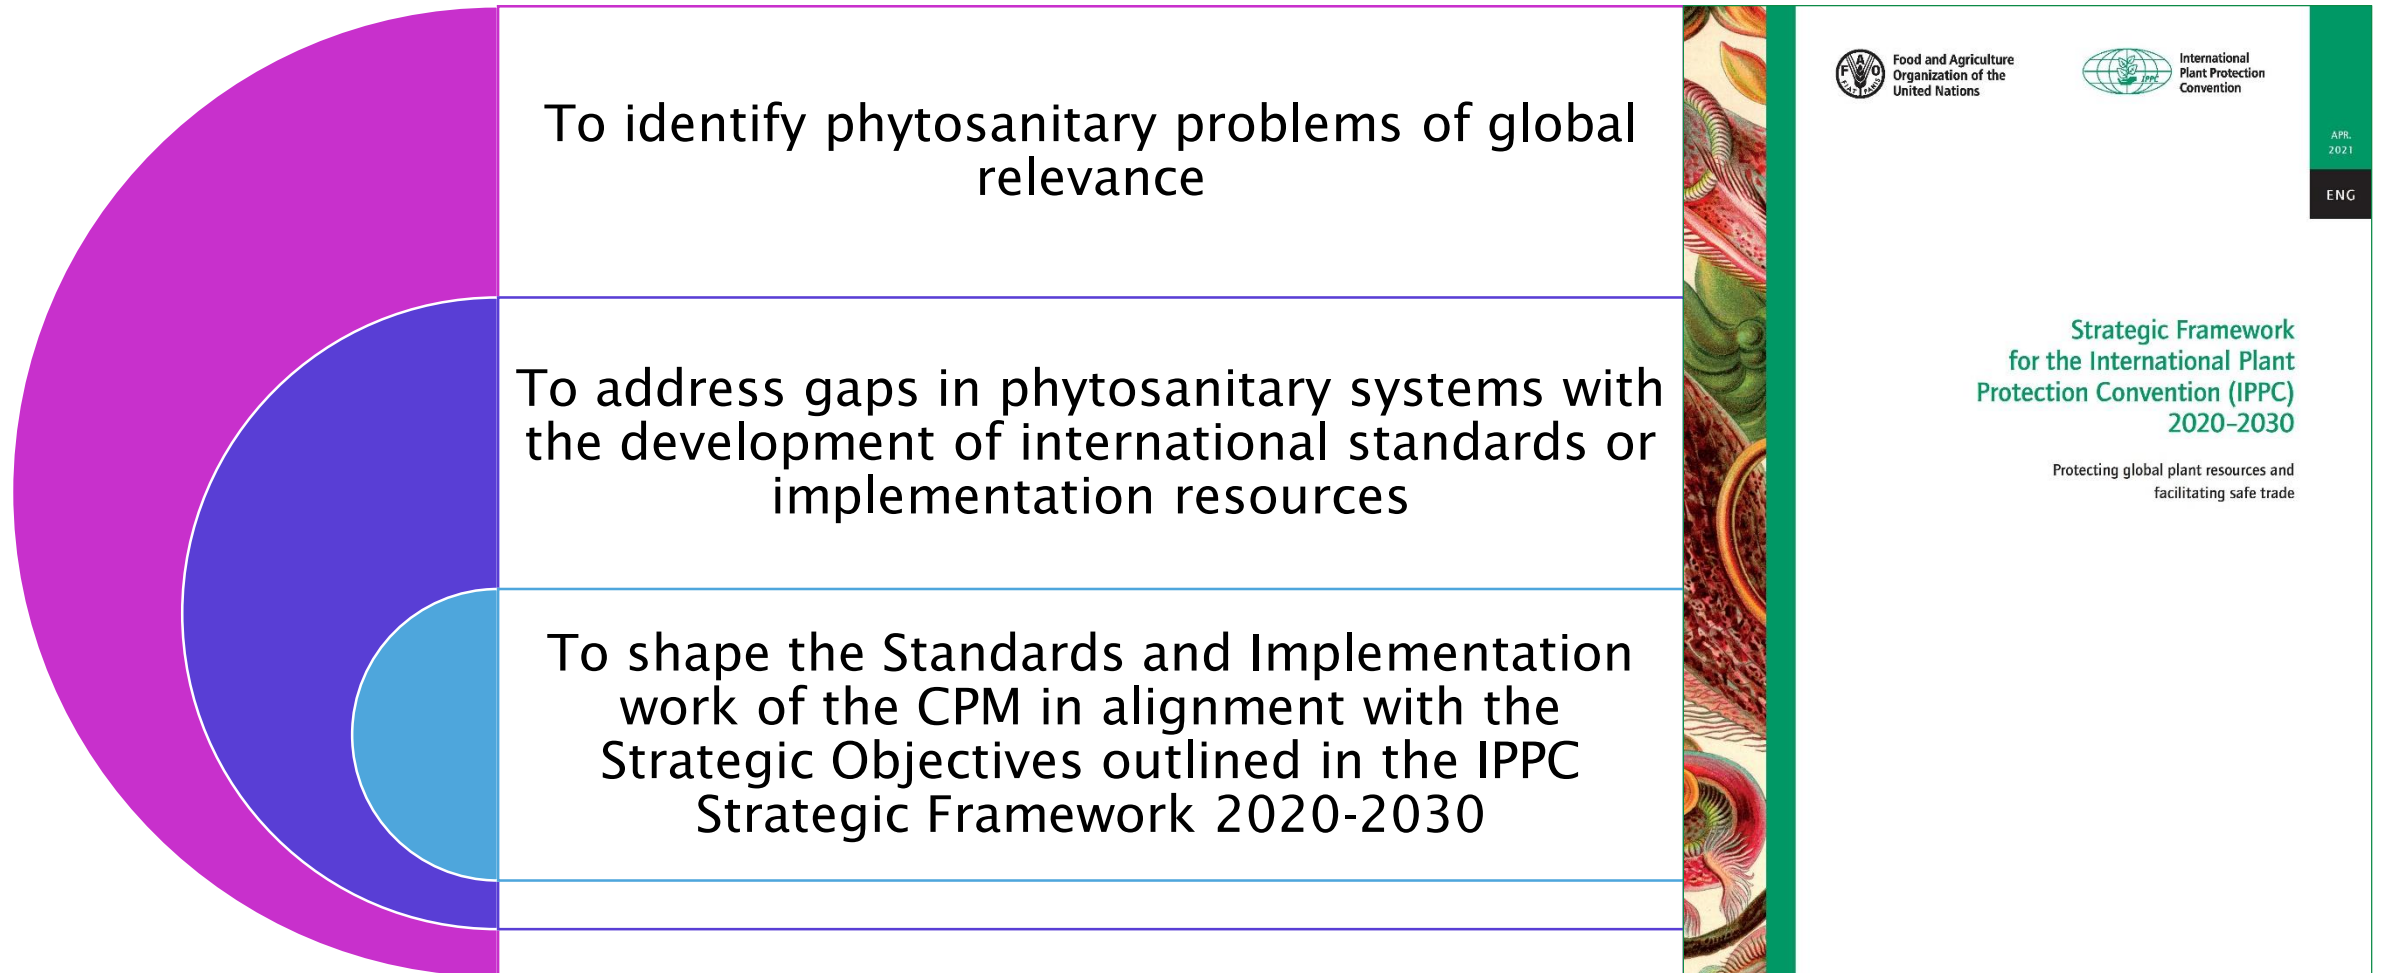

Edgar Mushegian
IPPC Secretariat

Purpose of the Call for Topics

Call for Topics as a gateway to new proposals for ISPMs

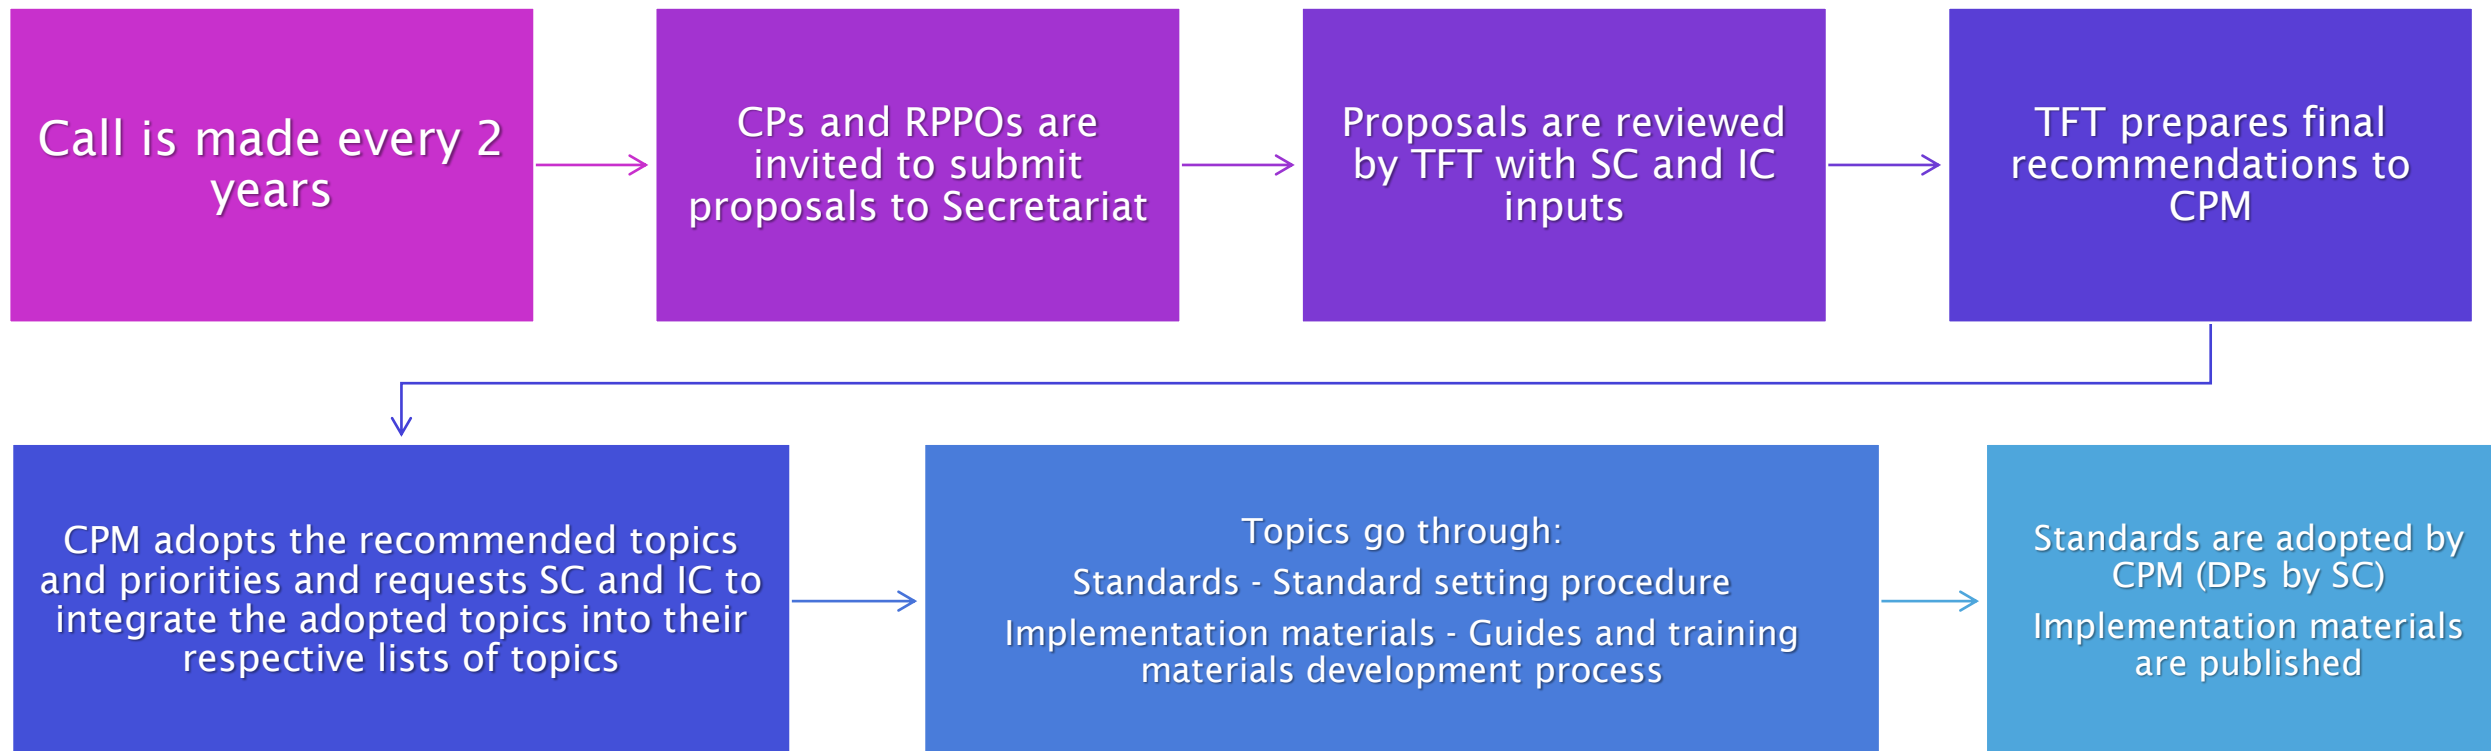

IPPC Standards and Implementation resources development process

Call for Topics as a gateway to new proposals for ISPMs

Call for Topics as a gateway to new proposals for ISPMs

CPM-13

- Combined 2018 Call for Topics for Standards and Implementation resources was made

CPM-14

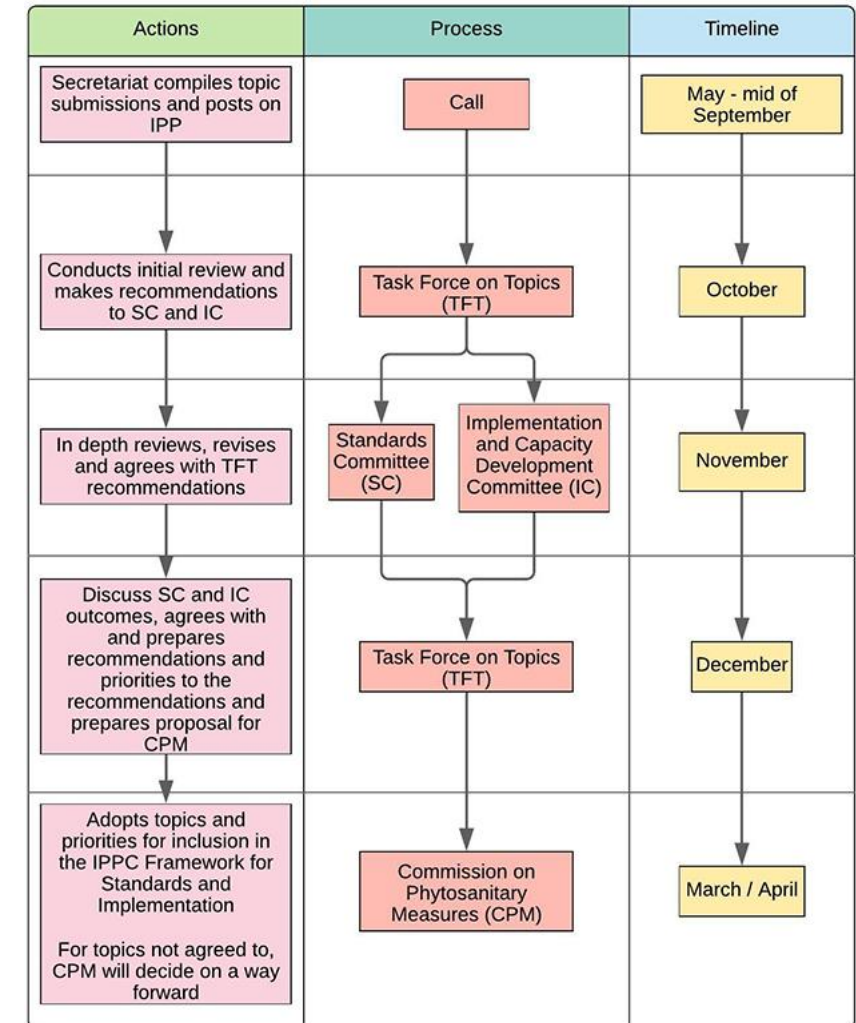

- Requested to refine and streamline 2021 Call for Topics, and to capitalize on new ideas from the IYPH 2020 activities

NOTE 1

- **2021 Call for Topics was open 4 May – 15 September 2021**
- Submissions from previous calls, which weren't added to the work programme, **won't be considered unless resubmitted in 2023**

NOTE 2

- Proposals for PTs (as annexes to ISPM 28: PTs for regulated pests) **are solicited separately** in an ongoing call for treatments

Previous 2021 Call for Topics

Call for Topics as a gateway to new proposals for ISPMs

8 CPs and 2 RPPOs submitted 17 topic proposals

7 standards

3 implementation
resources

7 DPs

TFT recommendations

Recommended proposed 3
standards and 1 implementation
resource

Recommended all proposed DPs

Didn't recommend proposed 4
standards and 2 implementation
resources

Main challenges

A lack of global
relevance and of clarity
on issues

A lack of draft
specifications of
standards or draft
outline of
implementation

Topics that are difficult
to reach consensus on

Lack of awareness

Online submission forms

Call for Topics as a gateway to new proposals for ISPMs

No missing entries in the obligatory parts of the submission

Speeds up the processes and saves time

Reduces the probability of making mistakes

Accurate documents with correct formatting

Low load on the relevant stakeholders

Recorded webinar

- The recordings of two webinar sessions are available [here](#)

Submissions can be accepted only from IPPC OCPs / RPPOs!

Submission form for topics for Standards and Implementation

* Required

Summary of proposal

9. Title of Proposal *

Enter your answer

10. Summary of justification for the proposal *

Provide an outline of the problem needing resolution in sufficient detail, 250 words max

Enter your answer

11. Expected outcome of standard/implementation resource *

Value of development of proposed material, 2 lines max

Enter your answer

12. Contribution to filling gaps in the Framework for Standards and Implementation *

2 lines max
Framework for Standards and Implementation can be accessed here: <https://www.ippc.int/en/core-activities/standards-and-implementation/ippc-framework-for-standards-and-implementation/>

Enter your answer

Complete submissions

Call for Topics as a gateway to new proposals for ISPMs

A topic submission is considered complete if

- For proposed standards, both the “Submission form for topics for Standards and Implementation” and the “Draft specification form for proposed standards” are submitted
- For proposed implementation resources, both the “Submission form for topics for Standards and Implementation” and the “Draft specification form for proposed IPPC guides and training materials” are submitted
- For DPs, a “Submission form for DPs for Regulated Pests (Annexes to ISPM 27)” is submitted

Key elements of a successful proposal

Call for Topics as a gateway to new proposals for ISPMs

Phytosanitary
problem and
solution are
clearly identified

Which current
issues need a
global solution?

What type of
solution would best
address the issue?

The following
materials are
considered

Convention text

Strategic Framework
2020–2030

Criteria for the Justification
and Prioritization of
Proposed Topics

Framework for Standards
and Implementation

Procedure manuals

LOTs

Useful materials
for evaluation and
future steps are
provided

Sufficient
background
information and
reference to
other
documentation

Submission is
supported by
other CPs or
RPPOs

Priority will be
given to topics
with the
largest global
impact
