

# Update on IPCC Governance and Strategy

## 2023 IPPC Regional Workshops

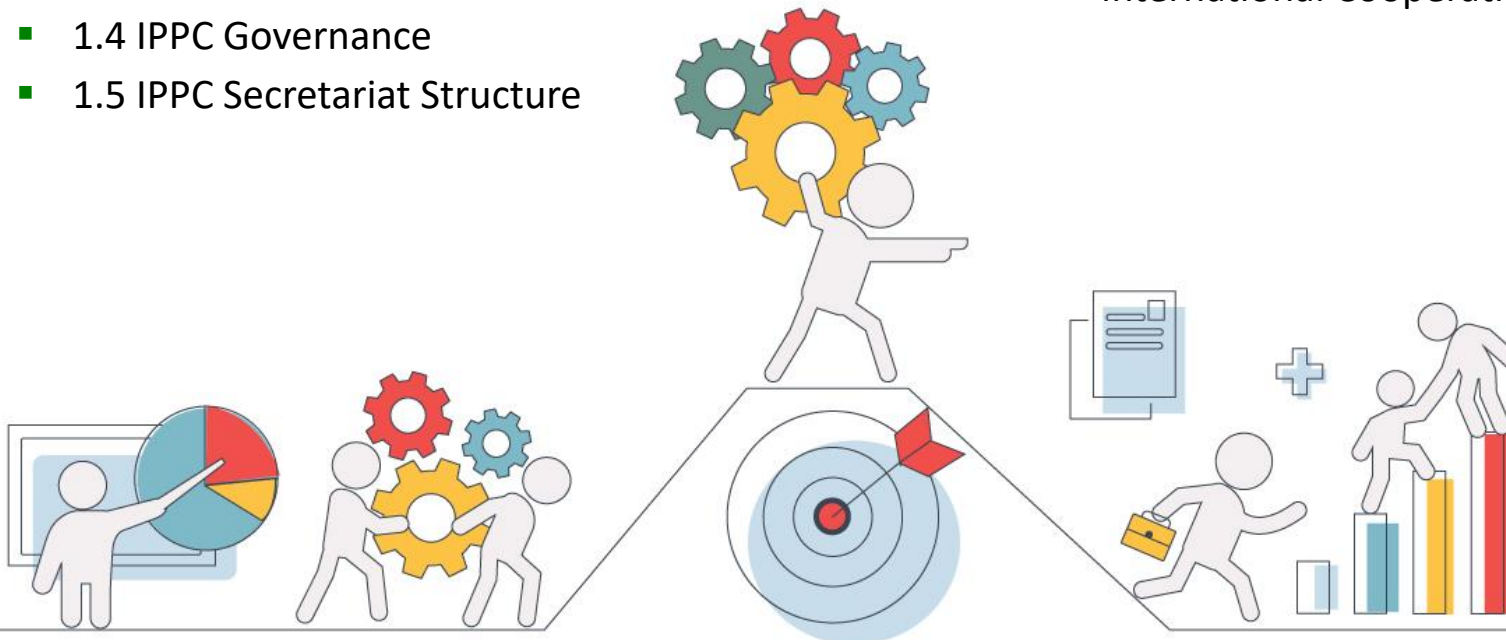

## OUTLINE

### An overview of the IPPC

- 1.1 A brief history
- 1.2 Vision, mission and objectives
- 1.3 Core activities
- 1.4 IPPC Governance
- 1.5 IPPC Secretariat Structure

### Governance and strategy

- 2.1 Meetings
- 2.2 CPM-17 Decisions
- 2.3 Communication and advocacy, Information Management and International Cooperation

# 1.

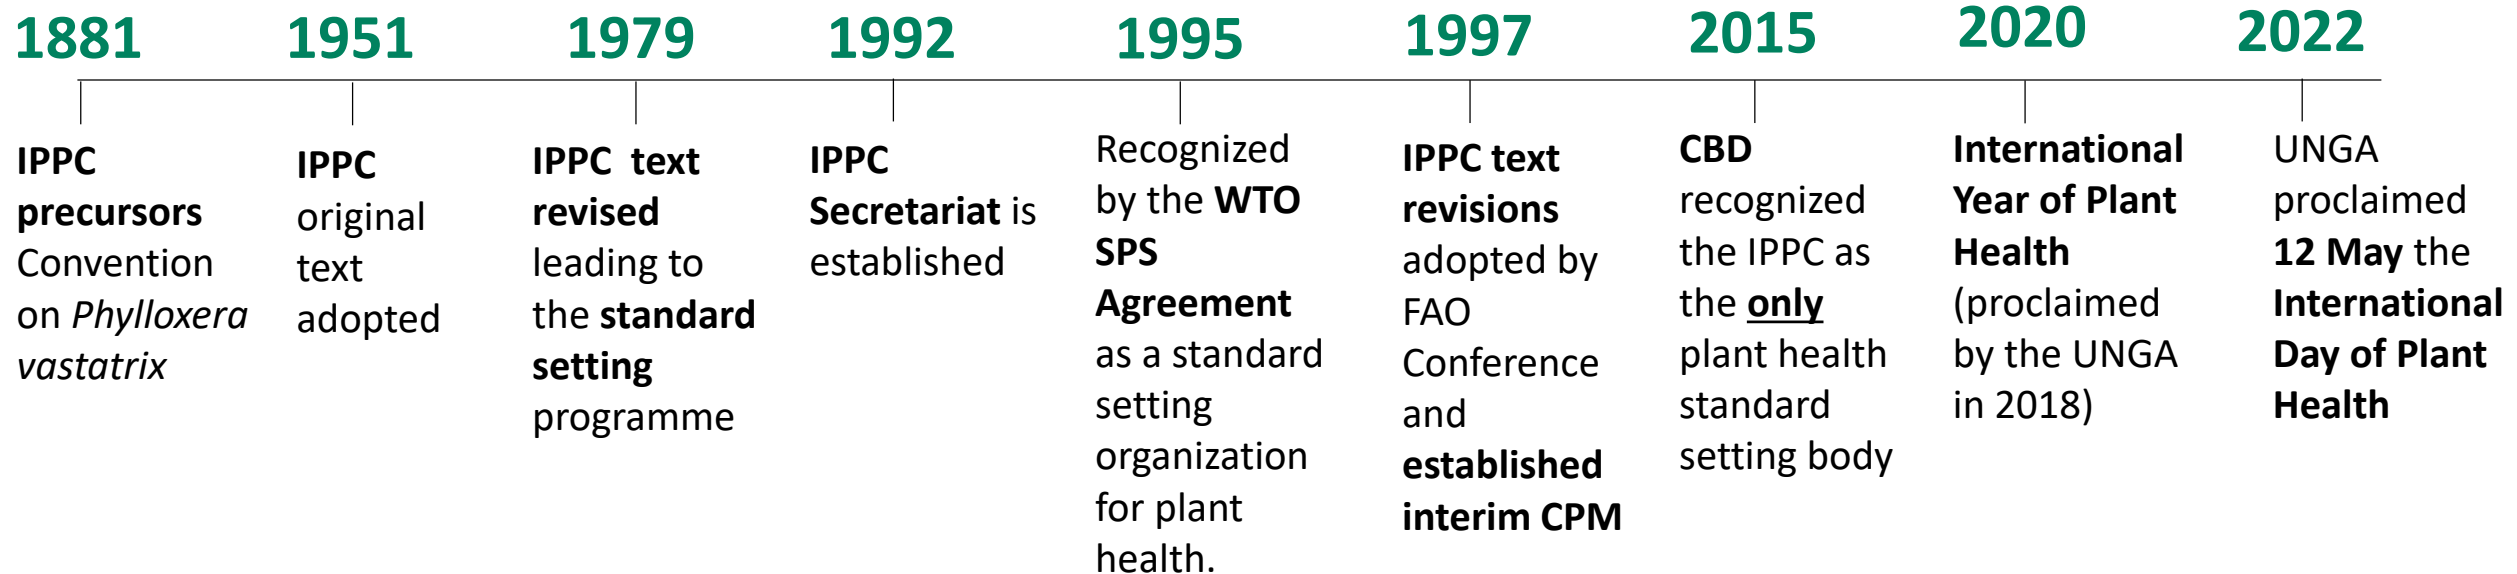

## An overview of the IPPC

## 1. An overview of the IPPC

### 1.1 A brief history of the IPPC

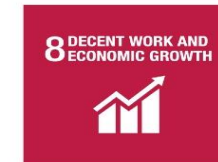

## 1. An overview of the IPPC

### 1.2 Vision, mission and objectives

- **IPPC Mission:** Protect global plant resources and facilitate safe trade.
- **IPPC Vision:** The spread of plant pests is minimized and their impacts within countries are effectively managed.
- **IPPC objective:** All countries have the capacity to implement harmonized measures to reduce pest spread and minimize the impact of pests on food security, trade, economic growth, and the environment.

### Strategic Objectives:

## 1. An overview of the IPPC

### 1.3 Core activities

**Standard Setting**

**Implementation  
and Capacity  
Development**

**Communication  
and International  
Cooperation**

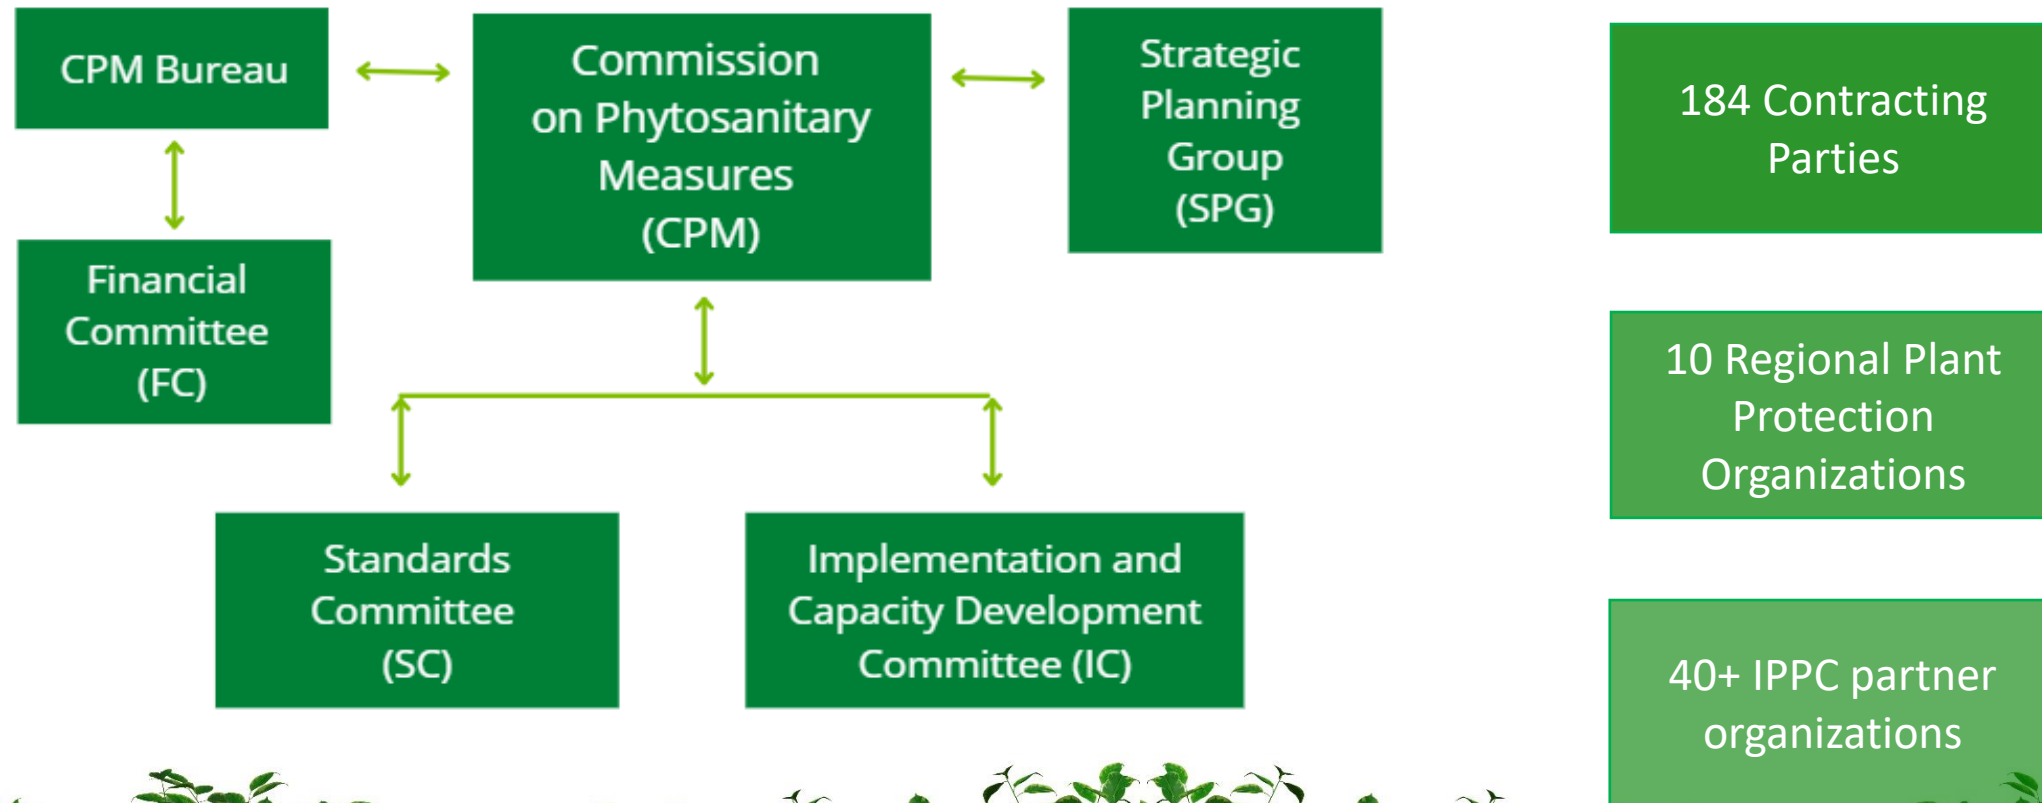

**Trade facilitation /  
IPPC ePhyto  
Solution**

## 1. An overview of the IPPC

### 1.4 IPPC Governance

- Seven-member executive body of the Commission elected from FAO regions and meets at **least four times** in a year.
- **Role:** to provide guidance to the IPPC Secretariat and CPM on strategic direction, cooperation, financial, operational management and provide continuity between CPM sessions, in particular:
- Addressing specific issues assigned to it by the CPM and assisting with the administrative, and operational duties of the CPM in areas such as:
  - Delivery of the IPPC Strategic Framework;
  - Financial planning and management; and
  - Providing advice, guidance and strategic direction to subsidiary and other bodies in between plenary sessions of the CPM, in accordance with CPM decisions.

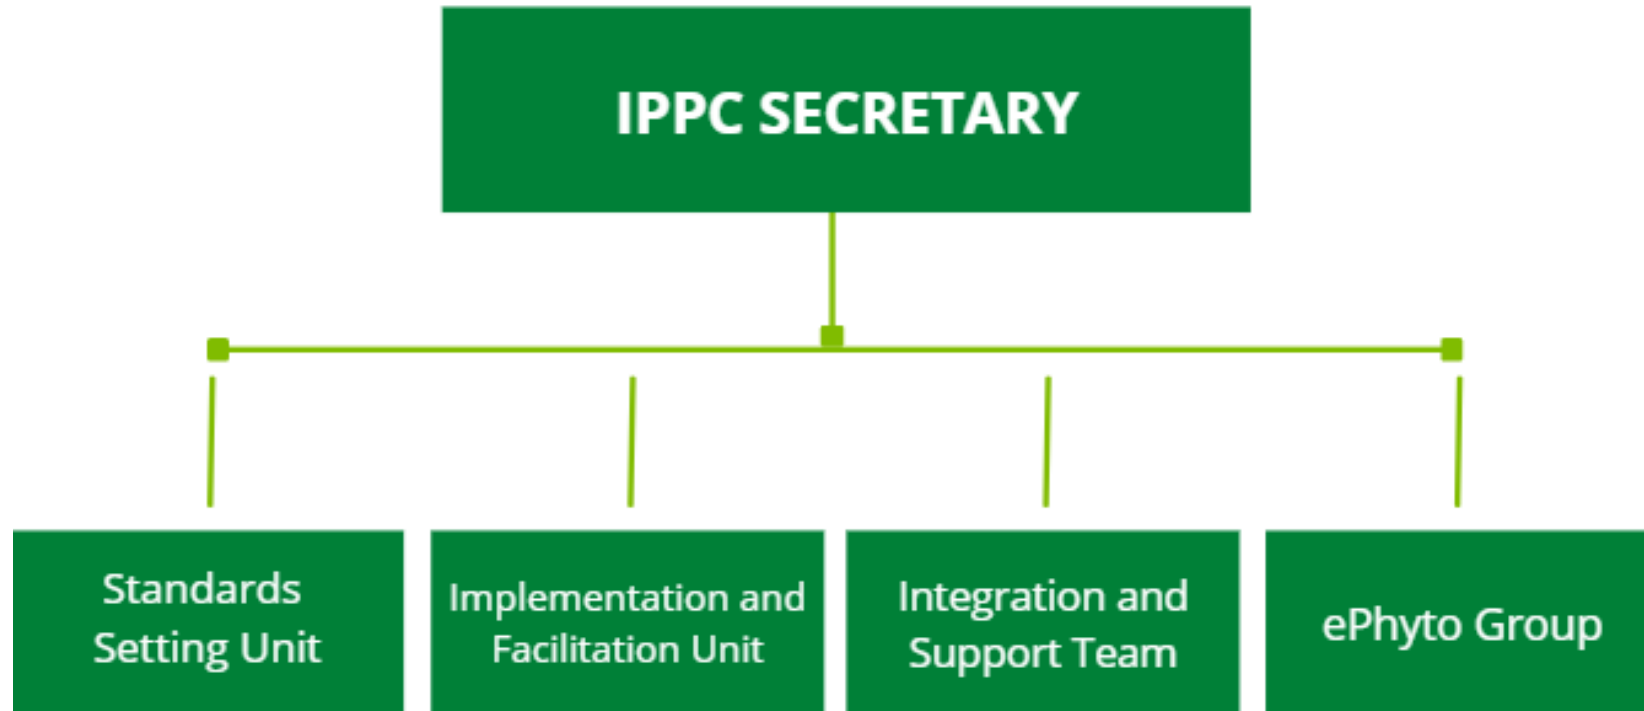

## 1. An overview of the IPPC

### 1.5 IPPC Secretariat Structure

## 2. Governance and strategy 2022-23 Achievements

## 2. Governance and strategy 2022-23 Achievements

### 2.1 Meetings

#### 2.1.1 Governing and subsidiary bodies meetings

- In person **CPM-17** was successfully held with over 400 participants from 118 contracting parties, 23 partner organizations and 3 observer countries.
- In person 2022 **IPPC Strategic Planning Group (SPG #11)** was successfully held last year attended by over 40 participants from 27 CPs, 2 RPPOS and IPPC Secretariat and now preparing for one in October 2023.
- Eleven **CPM Bureau** meetings including one in person were held in 2022 and two in person meetings in 2023 (March and June 2023) to ensure continuity of IPPC work plan.
- The **Standards Committee (SC)** convened 2 in person meetings in November 2022 and May 2023 inclusive of SC-7 meeting in 2023.
- The **Implementation and Capacity Development Committee (IC)** met 3 times with one virtual and two in person meetings in November 2022 and May 2023.

## 2. Governance and strategy 2022-23 Achievements

### 2.1.2 Focus Groups and other meetings

- In 2022, **11** meetings of **three CPM Focus Groups** on Communication, on Climate change and Phytosanitary Issues, and on implementation of the IPPC Strategic Framework 2020 – 2030 development agenda items were successfully held. CPM-17 concluded the work on two of them.
- **3** meetings of FG Climate change and phytosanitary issues as it implements the *IPPC action plan on climate change adopted by CPM-16*.
- Held **several** meetings with potential partners (donors- 3, African Union and Sub-regions- 5) to socialize the Global Phytosanitary Program (GPP) with special focus on Africa (APP).
- In 2022, the 34<sup>th</sup> TC-RPPOs convened **4** successful meetings, and **2** meetings (one virtual and one in-person during CPM-17 in 2023).

## 2. Governance and strategy 2022-2023 Achievements

### 2.2 CPM-17 Decisions (1)

#### Adoption of:

- IPPC Communication Strategy 2023-2030
- IPPC Partnership Framework
- 5 Standards: amendments to ISPM 5, Annex 2 of ISPM 20, revision of ISPM 18 and PT 45 as Annex 45 to ISPM 28).

#### Approval of:

- CPM Recommendation on Sea Containers (for consultation period)

## 2. Governance and strategy 2022-23 Achievements

### 2.2 CPM-17 Decisions (2)

#### IPPC SF 2020-2030 on implementation of DAIs, CPM agreed on

- Establishment of a **new position of programme manager**, to coordinate, monitor, report and mobilize funds for the programme of DAIs;
- Development of IPPC **investment prospectus**, to be used to raise awareness among contracting parties and relevant international bodies and to support resource mobilization with donor countries and organizations;
- Establishment of **focus groups for the DAI on global research coordination and DAI on laboratory diagnostic networking** to start scoping and planning for this work; and
- The **TC-RPPOs** *discuss* the overarching report on the strategic framework implementation, with the aim of *identifying topics* that the RPPOs could start addressing, within the RPPOs respective mandate, at the regional level;

## 2. Governance and strategy 2022-23 Achievements

### 2.2 CPM-17 Decisions (3)

#### **IPPC SF 2020-2030 DAI on assessment & management of climate change impact on plant health, CPM encouraged**

- CPs, NPPOs, RPPOs, stakeholders and all those linked with the IPPC community to participate actively in webinars, workshops and activities related to the impacts of climate change on plant health.

### 3. Communication, information management and international cooperation

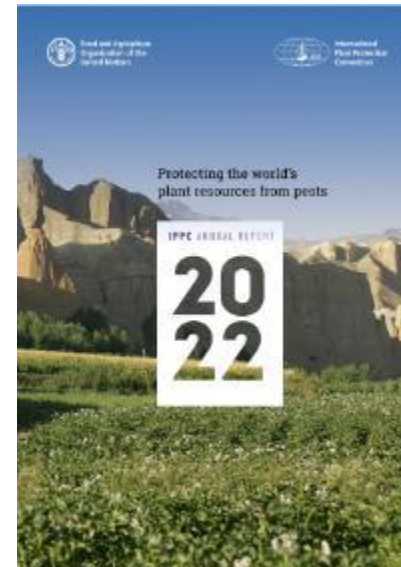

### 3 Communication & advocacy, information management and international cooperation

**International Day of Plant Health - 12 May**  
conducted successfully

**2022 Annual Report**  
published

**International Plant Health  
Conference (IPHC) Report**  
published

### 3. Communication & advocacy, information management and international cooperation

**IPPC newsletters 16** releases  
(12 in 2022 and 4 series in 2023) produced,  
and published **15** headline news and  
**17** announcements that covered the  
secretariat's breadth of work.

**IPPC Website (IPP)**  
new Look launched  
in June 2023

**Partnerships:** IPPC maintained  
cooperation with more than 40  
international and regional  
partner organizations in  
2022/ 2023.

### 3. Communication & advocacy, information management and international cooperation

#### **Community of Practice in Communications**

An online global community of communication professionals working around plant protection, sustainable agriculture, integrated pest management, One Health

Purpose: To gather the community to create and share knowledge, exchange best practices and identify opportunities for joint collaboration, e.g. campaign on the International Day of Plant Health

The community:

- Communication professionals from NPPOs, RPPOs, donors, national administrative bodies, industry actors, academia, science media

ACTION POINT: Sign up for membership at <https://www.ippc.int/en/>
