Procedure (how decisions will be made, how you will keep track of decisions and membership, etc.)

The coordinator will be the link between the IPPC Secretariat and members of the Group. Upon receipt of the documents to be reviewed, each member will receive and will be asked to submit comments on the document, in track changes. The comments will be reviewed by the coordinator to bring the real meaning as intended by the text proposed by the English text. The consensus version of the Group will be proposed to the FAO Arabic translation services that will review the proposed version to accept, suggest or no other formulations.
