Implementation Programme on Surveillance and the Implementation, Review and Support System (IRSS) - update - Revised decision text of CPM 2015/23 based on the group discussions on 17 and 18 March 2015

Agenda item 9.2

Prepared by the Small CPM Working Group

Revised decision text of CPM 2015/23 based on the group discussions on 17 and 18 March 2015

The CPM is requested to:

- *acknowledge* the efforts of contracting parties who participated in the OEWG on Implementation, in particular the efforts of the participants from New Zealand who also did considerable work prior to the meeting.
- *approve* the strategic work plan in Annex 1 for the implementation programme on surveillance
- *request* the Secretariat to select and collaborate with experts to:
 - Identify relevant activities and linkages between those activities using the content of Annex 2 as a possible basis
 - Provide advice on priority activities taking into account funding availability
 - Provide advice on the timing of proposed activities and the opportunities to cooperate with contracting parties, regional plant protection organizations and other organizations
 - Provide advice on options for contracting party commitment and involvement in the programme's activities including in-kind contributions, expertise, financial support
 - Provide advice on resource mobilisation strategies to support the programme
 - Provide advice on topics for future implementation programmes based on lessons learned, including criteria for setting priorities (topics and activities) Provide advice to integrate relevant CPM work areas and collaborating with other subsidiary bodies as needed on the implementation work plans that are developed
 - Report to CPM-11 through the Bureau on the progress of activities under the work plan (Annex 1) and invite CPM for possible adjustments if needed.
- *delegate* to the IPPC Secretariat the management of the implementation programme on surveillance under the oversight of the Bureau
- *urge* contracting parties and regional plant protection organizations to commit to increased emphasis on plant pest surveillance, and
- *urge* contracting parties to contribute resources and motivate others to contribute resources to ensure that the IPPC pilot programme, the Implementation Programme on Surveillance, is a success and has the expected impact.
