Attention is drawn to the strict provisions in force regarding entry into Italy, including the refusal of entry to persons not having the required visas. Participants requiring entry visas must obtain these from the Italian Consulate or Diplomatic Mission in their country before leaving for Rome. It should be noted that, since Italy's adherence to the Schengen Agreement, the issuance of an Italian entry visa may require up to three weeks. Those participants travelling from a country where there is no Italian Consulate or Diplomatic Mission may obtain a visa on arrival in Rome provided that they advise the FAO Protocol Branch, Rome, by fax of their arrival. Participants must provide their full name, date and place of birth, nationality, passport number, flight number, date of arrival and their travel itinerary. This information must reach FAO at least three weeks before the arrival of participants to permit the Protocol Branch to request the issue of an entry visa at Rome airport or other point of entry into Italy. Participants failing to comply with the above will not be allowed by the Italian authorities to enter Italy.

FAO is a smoke-free area. Smoking is not permitted inside any of the FAO buildings.
