COMMISSION ON PHYTOSANITARY MEASURES

Seventh Session
Rome, 19 - 23 March 2012
Proposal for an Oversight Structure on Capacity Development
Agenda item 10.3 of the Provisional Agenda
Comments submitted by Japan

1. Japan considers that collaboration among IPPC member countries is inevitably important in order to mitigate the risk of pest incursion under the current situation in which international trade has developed.
2. From the point of view, since Japan regards Capacity Building for developing countries as essential, we welcome and support the initiative made by IPPC secretariat to establish an Oversight Structure on this field.
3. Japan would like to appeal taking this occasion that Japan would provide one hundred fifty thousand USD, in the year of 2012 as a trust fund to support the activities which will be conducted by the new Oversight Structure on Capacity Building.
4. And also, Japan has intention to support the new body in terms of human resources such as sending experts for its activities.
5. Japan would like to request all member countries to contribute toward this important initiative with their own best.
